

Second Date Planner

Turn "we should do this again" into a real plan: three ideas on three different days, then one clear invitation.

Plan	What we will do	Day and time	Where	Budget	Mood
Idea 1					
Idea 2					
Idea 3					

Draft the invitation (keep it short and warm)

BEFORE THE DATE

- ☐ Confirm the time and place
- ☐ Check opening hours
- ☐ Plan how I am getting home
- ☐ Phone charged
- ☐ Have a backup idea
- ☐ Tell a friend where I will be

AFTER THE DATE

One thing I enjoyed, and what I would like to do next:

Free iPhone app: SecondYes: Second Date Planner

Had a great first date? Pick three thoughtful ideas, send one private invitation, and make your next date easy to arrange. Real nearby places come from Apple Maps.

Meet in public places and tell a friend your plans. Plan with consent and kindness.
