FREE PRINTABLE | SHIFT WORKERS

# Weekly Shift Log

Keep your own record of the hours you worked, then compare it with your pay statement. Overnight shift? Write it as one shift.

**Employer / job**

**Pay rate ($/hour)**

**Pay period dates**

| Date | Start | End | Unpaid break (min) | Hours worked | Notes |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

**Total hours this period:**

## COMPARE WITH THE PAY STATEMENT

**Hours on my statement**

**Hours in my log**

**Difference and question**

### Free iPhone app: EarnCheck: Shift & Pay Tracker

Keep an independent record of your shifts, estimate your gross earnings and compare your hours with your pay statement. No account, no bank login, no employer login.

Estimates only; your pay statement is the official record. Not payroll, tax or legal advice.
