

Subscription Audit Sheet

List every recurring charge, add up the yearly cost, then decide: keep, cancel first or decide later. Check your bank and card statements for the last three months.

Service	Per month (\$)	Per year (\$)	Next charge date	Keep	Cancel	Decide

Total per year:

The three I will cancel first, and the date I will do it:

Free iPhone app: MoneyShield: Sub Tracker

Decide which subscriptions to keep, which to cancel first, and when to act, before the next charge. One private place to see what you pay for.

A planning aid, not financial advice. Check each company's own cancellation terms.
